

The Mighty Max MM-1300 Model Liftgates

Designed for today's full-sized pickup and utility body trucks, the Mighty Max 1300 is built with high performance, low maintenance features.

- 1,300 lb. capacity
- Designed to fit full-sized domestic pickup beds and most popular utility bodies
- Choose from steel, aluminum, or grip strut platforms
- Ramp options increase loadable platform depth
- Direct lift with level ride platform
- Chrome plated cylinder rods
- Platform doubles as the vehicle's tailgate
- Equipped with maintenance-free, grease-free bearings
- Standard key switch protects against unauthorized use
- Oversized, fully enclosed pump and motor ensures increased life and reliability
- Curbside toggle switch is water-resistant and recessed to prevent damage from accidental impact
